Sir,

I am directed to state that, owing to the return from furlough of Lt-Col. J.Smyth, Senior Surgeon and Sanitary Commissioner with the Government of Mysore, Major H.E. Drake-Brockman, I.M.S., who has been officiating for Lt-Col. Smyth, should, in the ordinary course, revert to British service. The Durbar are, however, desirous of retaining his services for a further period of six months on special duty, under circumstances which have been explained to the Hon'ble the Resident.

Signed on 15 6 08
Sgn. illegible, A.S. Chandrasekhara Iyer
(Received on 23.6 08).

As regards the designation of his appointment, it is considered convenient that it should be:- "Medical Officer on special duty under the Government of Mysore". This will prevent any confusion between this special and temporary appointment and the appointments held previously by Medical Officers of the British Service in Mysore.

With reference to emoluments, the Durbar propose to follow the precedents afforded by the cases of Lt-Col. Smyth and Major Carr White, when holding the appointment of Durbar Physician, i.e., to give him his substantive pay in the British service for the time being, with an allowance of Rs300.

As in the case of the Officers mentioned a free carriage will be provided in Mysore. No house allowance will be given or free house, but as Major Drake-Brockman will be for the most part on tour outside Mysore, it is proposed that he should be given actual expenses, including all travelling expenses and cost of living, i.e., board and lodging. I am to request that the Hon'ble the Resident may be asked to kindly move the Government of India to sanction these proposals.

I have &c.,

P. L. MOORE, Esq., I. C. S.,
Offg. FIRST ASSISTANT to the RESIDENT in MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 10 August 1908.

Sir,

I am directed to acknowledge the receipt of Mr. Chandrasekhara Iyer's letter No.C.111 dated the 15th June 1908 and, in reply, to convey the sanction of the Government of India to the retention by the Mysore Durbar of the services of Major H. E. Drake Brockman, I.M.S., for a period of six months, with effect from the 5th June 1908, for employment on special duty with His Highness' brother, the Yuvaraja of Mysore and on the following terms:-

(a) a salary calculated to leave him a net amount equivalent to his substantive pay in British service for the time being,

(b) a deputation allowance of Rs.300/- a month, and

(c) a free carriage in Mysore.

2. The proposal to grant Major Drake-Brockman actual expenses including all travelling expenses and cost of living while on tour, is not covered by the revised rules regarding the grant to Officers of Government under foreign service conditions, of privileges and concessions in addition to substantive pay. The Government of India therefore regret that they are unable to sanction it. There is however no objection to Major Drake-Brockman drawing actual expenses of transport plus a daily allowance of Rs.5/- when travelling

outside Mysore.

3. I am to request that the attention of Major H. E. Drake-Brockman, I. M. S., may be drawn to the instructions contained in articles 770 to 778 of the Civil Service Regulations, regarding the information to be furnished to accounts Officers, and that it may be satisfactorily ascertained that these instructions have been complied with.

4. With reference to the payment of leave and pension contributions, I am to say that these should be paid according to rule, but on the understanding that the total sum contributed will be refunded to the Durbar should the appointment held by Major Drake-Brockman terminate within six months.

I have the honour to be,

S i r,

Your most obedient servant,

Offg: First Assistant Resident.
